WE ARE HIRING

JOIN OUR TEAM

Love Apple products? Do you have a passion for teaching middle school students coding? Enhance your Apple Swift Playgrounds skills by joining our faculty.

The ignITe Hub is currently accepting applications for enthusiastic and dedicated faculty for the 2025 Montgomery Can Code Summer Camp program assistants.

Montgomery Can Code is an annual free and fun summer camp held in July for any MCPS rising 6th, 7th, and 8th grade students. Students in the program will learn to code using Swift, an easy-to-understand programming language used by professional developers to create world class apps. Students will complete creative projects with an established curriculum to learn Swift from coding experts.
